Dear Child Care Provider,

This letter is in regards to the September 22, 2014 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1)b All medicines and poisonous, toxic, or otherwise unsafe materials are secured from access by a child.

Need to move chemicals away from counters and move razors.

☐ 110.5(1)f Combustible materials are kept away from furnaces, stoves, gas dryers, or water heaters.

Need to move three feet away.

☐ 110.5(1)o Nonsmoking signs posted at every entrance of the home and in every vehicle used to transport children. Signs include telephone # for reporting complaints, and www.iowasmokefreeair.gov.

Need to add.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration.

Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.

X ☐ Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home. This visit will occur after the 45 day time period has elapsed.

Please do not hesitate to contact me at DHS at 319-292-2419 if you have any questions regarding this letter.

Sincerely,

Angie Huntington
